

SC440 USB Studio Condenser Microphone

UK

The SC 440 USB studio condenser microphone features an onboard high-quality analogue-to-digital converter (16 bit) and USB output. It is perfect for recording your music, or any acoustic audio source on your computer.

The USB studio condenser microphone with its sampling rate of 48 kbit/s faithfully reproduces a variety of sound sources including vocal and acoustic instruments. The extended frequency and fast transient response insures an accurate reproduction with linear characteristics from bottom to top.

Just connect the microphone to your computer using the USB cable supplied. Start the recording software and adjust the recording volume according to your needs.

Frequency response	20 Hz ... 18 kHz
Polar pattern	Cardioid
Sensitivity (@ 1 kHz, 94 dB S.P.L.)	20 mV/Pa
Rated impedance	200 Ω
Equivalent noise level	26 dB (A-weighted IEC 651)
Max S.P.L. for 0.5% THD @ 1 kHz	120 dB
